4

SHARE THE MESSAGE

- Who is going to share the message?
- When are you going to share the message?
- Prepare for roadblocks.
- List a contact person.

5

EVALUATE

How did it go?

- How many clicks?
- How many likes?
- How many people signed up?
- How did this compare to last year?

ON WEBSITES

- What's the purpose of your website?
 - For members?
 - For potential visitors?
 - For community members?
- Show you at your best.
- Is it meeting your needs?
- Update frequently or "evergreen" site?

TRICKS OF THE TRADE

BE CONSISTENT

- Pick a style guide and stick with it.
- Train your audience.
- I authorize you to edit everything you're asked to communicate to create a consistent voice across all your communication channels.

PHOTOS

- Use your own.
- Don't steal.
- Some sites where to find free-to-use images:
 - Pixabay
 - Unsplash
 - Pexels
 - TECStock

CREATING GRAPHICS

- Be mindful of where you're going to use the graphic.
- Highlight the accompanying text.
 - Be mindful of people who have low vision or who receive emails without images.
- Helpful sites for creating graphics:
 - Canva (free and pro versions)
 - Adobe Spark (free and paid versions)
