THE EPISCOPAL  
DIOCESE  
OF MILWAUKEE

## Welcome to the 175th Annual Convention of The Diocese of Milwaukee

Dear Friends,

With gratitude for God's love and faithfulness, I welcome you to this year's diocesan convention. For 175 years, God has blessed us as we have followed the way of Jesus, proclaiming his death and resurrection, and making real the love and mercy of God in the lives of individuals and communities across our region.

This year, we gather in a world shaped by global pandemic, increasingly rapid social change, and the uncertainties of unrest and war. The message of the gospel has never been more important, and that message is just this: Love wins. God's love transcends all our fears, uncertainties, and challenges.

I am delighted to welcome Becca Stevens as our keynote speaker this year. I am confident that she will ground us in the truth that fiercely unconditional love heals every ill. The Bible tells us that God is love, and that God's love for us and all of creation is invincible. Reviving our trust in that reality is the theme of this convention.

So, welcome! Let us give thanks for the legacy of faith in this diocese and look forward with profound hope to the future that God has in store for us.

In Christ,
