

Episcopal Diocese of Milwaukee

COVID-19 Safety Recommendations

Out of care for those most vulnerable, we recommend the following actions to ensure safety at the 175th Annual Convention of the Episcopal Diocese of Milwaukee.

1. **Wear a well-fitting mask** during all parts of the event, except for when actively eating and drinking, in accordance with [guidance from the City of Milwaukee](#). Masks will be available during the event for those who need one.
2. **Consider taking an at-home rapid test** before arriving at Convention. Only attend the event if you receive a negative result.
3. **Stay up-to-date on all immunizations** for which you are eligible.

Thank you for helping to make our event successful & safe for all.
